

Chaparral District Scouts' Choice Award

What is the Scouts' Choice Award?

The Chaparral District seeks to recognize Cub Scout and Scouts BSA volunteers who have gone above and beyond in helping with the betterment of their unit. Volunteers perform diverse roles and functions within their units, and this award is an opportunity for the Scouts themselves to nominate and highlight those efforts that may otherwise go unrecognized. Packs and Troops are dependent on volunteers stepping in and stepping up to help each unit succeed. Any volunteer can be nominated by the Scouts in your unit as long as they have demonstrated outstanding support to your unit. One Scouts' Choice Award per unit will be given this year.
