

Chaparral District

Outstanding Adult Cub Scout Leader Award

What is the Outstanding Adult Cub Scout Leader Award?

The Chaparral District seeks to recognize Cub Scout Pack Leaders who have gone above and beyond in making sure their unit is healthy. This can include the Cubmaster, Assistant Cubmaster, Den Leader, or any non-committee leader working with the youth. These Cub Scout Leaders grow their unit by encouraging volunteers, developing innovative programs, strong communication skills and excelling at all the little unseen things that make a pack succeed. Two Cub Scout Leaders will be chosen and honored this year.
